Reputation of vendor	20
Meets applicants needs	15
Prior experience	10
In State Vendor	10
Personnel Qualifications	10

RFP Requirements

All proposals need to be submitted through email to be accepted. No phone calls concerning this application will be accepted. All communication about this RFP will only be provided via the Q&A section of this RFP in which questions and answers will be posted publicly. Responses received after the stated deadline may be deemed non-responsive. All vendors must comply with Texas Education Agency [Financial Accountability](#) Guidelines found in Module 3: Purchasing.

Specific Requirements:

- All proposals should be received by the Bid Close Date. Any offer, modification, revision, or withdrawal of an offer received after this Close Date may not be considered unless it is determined that an untimely submission was due to circumstances beyond the vendors control, a consideration of the offer would be in the best interest of the applicant, or the offer is the only proposal received.
- For all of the items/services listed in this Request for Proposal, please consider services that are equivalent, more/less in quantity, better and/or more cost effective when submitting proposals.
- In the event that no bids are received in a certain service category, we may solicit cost-effective bids after the Bid Close Date.

Quotes should provide turn-key solutions including installation/configuration charges, surcharges and any special construction charges when applicable. If special construction charges apply, please include the option for installment payments of up to 4 years for the applicants non discounted share.

- All contracts are contingent upon funding by the Schools and Libraries Division (SLD) of the Universal Services Administrative Company (USAC) unless otherwise agreed upon by district.
 - All pricing provided in the proposal should be in accordance with the Lowest Corresponding Price rule.
 - Proposers should separate the cost of eligible services/products from non-eligible services/products and clearly indicate this separation on the proposal.
 - Proposer must be in good standing with the Federal Communications Commission (FCC) and does not have a red-light status. If there is a red-light status, the contract will become null and void without penalty to the applicant.
 - Proposers will be held responsible for complying with all E-Rate program rules. No gifts shall be offered or accepted by the applicant at any time.
 - All submitted bids should include contracts and the contracts should also include the option for voluntary extensions unless they are month to month services.
 - Submitted bids should include scalability of bandwidth during the terms of the contract.
- A manufacturer’s multi-year warranty for a period up to three years that is provided as an integral part of an eligible component, without a separately identifiable cost, may be included in the cost of the component.

All bids should include special construction, maintenance and operation charges and equipment to light dark fiber. Please submit your most competitive and accurate bid.
