

HASKELL CISD conducts a program for students with above average potential in academic and creative-productive thinking skills areas in grades K-12. This gifted education program is designed to challenge students to accelerate above and beyond the regular school curriculum.

Any adult wishing to nominate a student believed to be an intellectually or creatively gifted learner is encouraged to come by any of the three offices: Haskell High School Office, Haskell Jr. High Office or Haskell Elementary Office to pick up the necessary forms. Offices are open from 7:45-3:45. Those students nominated will go through a screening procedure that requires special testing. At the time of nomination, parents will be requested to grant permission for this test.

Nomination period for HASKELL CISD is **November 2-16**. During this time parents may pick up an application at any of the three campuses to nominate a student. Fill out the paperwork and return it back to the campus office by **Friday, November 16**.
