## Welcome to Haskell Jr High!

I am very excited about the upcoming school year and what it has to offer. We hope that this is a successful and rewarding school year for all our students. Haskell Jr High is dedicated to helping students reach their full potential, becoming responsible and productive citizens. Success depends on many variables and hinges on the support from home and support from the school and the communication between them. Success is also very dependent on the student's willingness to be dedicated and disciplined.
