

# Syllabus for English-7

## Mrs. Bartley

OVERVIEW--In English class this year the students will learn and use the conventions of English, write stories, essays, poems, and other types of writings. We will also have some fun.

GRADES--Students will be graded on writings, conventions of English, quizzes, daily work, and tests.

Daily Work	50%
Projects	20%
Quizzes	10%
Tests	20%

Plagiarism is the practice of taking someone else's work or ideas and passing them off as one's own.

If a student plagiarises, he or she will only be able to get a 70 for the work.

ABSENCES--Students will be allowed to make up missed work. Work will need to be completed in HU.

HASKELL UNIVERSITY(HU)--This is the after school program where students can make-up work, finish assignments, retake tests etc. HU will begin the 4th week

of school. HU is from 3:45-7:45 Monday through Thursday.

Students will be writing quite often and will use pencils, pens, and many pages of paper. We will have projects in English. Students need to bring library books to class in case they have time to read.

I look forward to working with your student. If you ever need to visit with me, I have a planning period 1st--8:14-8:59 and a conference 7th--1:51-2:36.

Thanks,

Cathy Bartley
